NGFNL BOARD REPORT

Hello everyone and welcome to round thirteen (13) of our 2023 season.

Well last week felt like we were amidst the heart of winter which states the obvious but the feeling of icy winds, the talk of snow falling at higher altitude and most grounds feeling the pressure of wet conditions I suspect we still have a few tough weeks in front of us to encounter and endure.

- Down at the Cattery this week The Woodside District FNC will be celebrating NAIDOC week which is a significant and important week of the year for this club and their local community. It has been great to see many clubs celebrate NAIDOC week however in my opinion the dedicated volunteers at the Cattery set standards and engagement activities at the highest level for all and sundry to enjoy. Apart from the way this club celebrates, bringing people together I also enjoy the way this club continues to share and educate others about the local influence and importance of their indigenous heritage within that part of our league's back yard. Saying well done perhaps does not do the day justice, it has always been an enjoyable day at Woodside when they roll out NAIDOC Celebrations and I trust the TTUFNC will engage in everything the day has to offer at the Cattery this weekend. Well done to all at WDFNC.
- Wednesday week ago, in difficult playing conditions our leagues Under 18 Football Rep Team participated in the AFL Gippsland interleague Carnaval held at the Morwell Rec Reserve. Heading this year's campaign were some of our league's great junior coaches with Scott Anderson from Heyfield FNC the key man ably assisted by Jason Barnett from the Rosedale FNC and Ben Chivers Sale City FNC. It is extremely exciting to have several league personalities engaging in this important day and this support is warmly welcomed by the players. Rambo takes a day out of his busy schedule to run water and now a veteran of this event having done this role for

probably 10 plus years and we thank him for his contribution and this year Peter Berry assumed the team Managers responsibilities. Well and thanks.

 The boys played 4 games in one day consisting of two 20-minute halves which becomes a taxing day for our troops. We managed one win and three credible losses by narrow margins including a close game against the highly talented Gippsland Latrobe team, in fact our boys held a lead at half time in that game and going down by a narrow margin. I trust all the boys and participants gained some value above and beyond the game itself. I trust new friendships were made and that game style and skills can transpire back into the boy's home clubs. I guess we will know the answer to that at some point down the road but when all is said and done this group represented out League passion, pride, and respect. Well done to everyone and I look forward to the 2024 competition.

Last Saturday I had various commitments to my business and did not get to a game as planned but I will endeavour to do the rounds this weekend. That being said I was interested to the round 12 results with the Pies unable to manipulate a home game win over the ever improving Blues who ran out winner by 2 plus goals. The Dees on their home dung hill proved yet again they are hard to beat on home soil and sent the Cougars home with their tail between their legs in what not only a loss but a surprising margin. The Cats continue to send a message they are the genuine contender by having a very solid won over YYN. The Bombers handled the heavy conditions to deliver a percentage winner game against the Dogg and in a close one again in heavy conditions the Tigers could not hold off the Saints who no doubt celebrated this important victory for the club. Well done everyone.

 This week's Round 13 clashes again looks like are bunch of cracking matchups. The Roo's will host the Pies after a week off and no doubt they

Will I

NGFNL BOARD REPORT

Roo boys will be invigorated and looking towards continuing their good form and having one eye on a finals position. The Pies have the ability to match the Roo's if they throw caution to the wind and play with no fear. However, at home I think the Roo's have too much young talent to let this one slip and I think they will make the best of good conditions and fresh legs. The Roo's by 4 goals plus

- In the mid zone of our league the Blues will host the Cougars and over the years this has been a must-see game with the results evenly spread. The Blues have had some inspirational moments in 2023 which has the faithful believing an exciting future lies ahead. The Cougars have not been at their best over recent weeks, maybe due to injury or maybe they have a confidence issue either way I have never seen the Cougars visit the abyss of no man's land for too long and you would have to think at some point they will rebound. The Blues have some exciting talent, but I think the Cougars will bounce back this week, but they will not have it all their own way and an upset could just happen.
- Back on home turf the Jets will host the Dees and both teams will be hungry for a victory. I suspect the ground will be heavy and this may take some of the sting out of the game where maximising your opportunities could determine the result. In my eyes the Jets have not found that scintillating magic which kept us punters in awe last year and they will need to find some of this, or the Dees will exploit this crack in their armour. The Dees have some seasoned talent, they have faced adversity and come out the end as victors when many thought they couldn't. Could today be one of those days? I think the Jets at home get the chocolates, but just!
- In what must be the match of the day are our ladder leaders clash at the Cattery. I have said

several times before the Cats have a talented list, arguably the best assembled since their inception into the NGFNL. Big statement I know, but with success comes a level of expectation and a responsibility to deliver week after week. On the other hand, the Bombers have taken all before them and likewise I have said play a style of football which is attacking and exciting. Both teams have talent all over the ground, both can defend, both can kick a score and their respective midfields are highly talented. In my eyes this game will be won in the midfield and who can provide forward fifty opportunities that trouble opposition. The Cats perhaps have the edge. Ground conditions could play a part and I hope the rain stays away during the week allowing the best possible conditions for an exciting game. I think the Cats can win on home turf, but I doubt there will much in this game and it would not surprise me if I was wrong about that call.

• In our final game the Doggies will host the Tigers down at the Kennel. I keep saying the Doggies are a better team at home, but it is true. The Doggies have some injured warriors which may play into the hands of the Tigers who managed some score board pressure in tough game last week and they will need to do this again if they are to worry the Doggies in this game. It's hard to see the Doggies losing this one at home but I hope it is a spirited game and both clubs come to play. The Dogs will get the job done.

Good luck to everyone today, play hard but play fair.

AFL VICTORIA NEWS

The WorkSafe Club Safety Fund is back in 2023, with all AFL Victoria Country football and netball clubs eligible to submit an application.

The funding program is a pillar of WorkSafe's ongoing commitment to grassroots football, with Victoria's workplace health and safety regulator having been a supporter of country footy since 2002.

The WorkSafe Club Safety Fund is set up to provide financial assistance to country football and netball clubs to make improvements to the safety of their grounds or provide added safety for players, volunteers and spectators.

Since 2002, more than 300 community clubs have received funding through the program.

Country football clubs affiliated with WorkSafe AFL Victoria Country can apply for grants of up to \$5,000 per application.

All clubs applying must provide evidence that a grant is needed to improve the safety of their grounds and surrounding buildings. Full eligibility criteria and the link to apply is available at https://www.aflvic.com.au/worksafe-club-safety-fund.

Applications open on Monday, July 3 and will close on Sunday, August 6, 2023.

Quotes attributable to Sam Jenkin, WorkSafe Executive Director – External Affairs:

"WorkSafe is proud of its long history in supporting country football and netball in Victoria, and WorkSafe's Club Safety Fund demonstrates our commitment to keeping regional Victorians safe at work and at the club they love.

"Country football and netball clubs are the lifeblood of regional Victorian communities and I encourage all clubs to submit an application for this important initiative."

Quotes attributable to Ben Kavenagh, Head of AFL Victoria:

"WorkSafe has been a tremendous supporter of country football for well over two decades and their commitment to the club safety funding program ensures clubs across regional Victoria can continue to benefit from this important opportunity.

"Country football clubs bring people and communities together so it's imperative that club environments are safe and welcoming, which is exactly what the WorkSafe Club Safety Fund is designed to assist with.

"I encourage clubs to check the eligibility criteria and I thank WorkSafe for their ongoing support of country football."

NGFNL TRFM RISING STAR

Congratulations to our two TRFM Rising Star Award winners for the month of May!

Liam Heasley from Heyfield Football Netball Club and Oakleigh Riley from Churchill Football Netball Club.

Remember, clubs have until 7th July to nominate a TRFM Rising Star for the month of July.

Liam Heasley

Liam's dedication to training, being one of the first to arrive and always looking to improve but also to help out others where he can. He regularly goes over and above by helping get equipment sorted for training or getting on the front foot with off-field initiatives like club training gear; everything is pretty for this young man.

While still a younger club member, he has stepped up his leadership by taking warm-ups and being more vocal at training and game day. This has seen a rise in his performance and consistency, which also sees him drive the standards as he is helping to set them himself.

His passion to not only improve himself but to ensure the club is improving and is an inclusive environment for all is always at the forefront of his mind.

NGFNL TRFM RISING STAR

Oakleigh Riley

Oakleigh has come through our junior netball system and is now a major part of our Netball set-up. She is 17 years old, playing A grade for the first time. She was also appointed Under 15's coach for season 2023 and was a main driver for CFNC to field a Youth Girls football team this year.

Oakleigh has attended each training session for A grade (training commenced in November 2022), but she has also completed her scoring duties, canteen duties and is always willing to help in any area, usually without being asked. This is as important as any playing requirements in a sporting club.

Oakleigh attends U/15 training sessions early to make sure that when the girls arrive, they go straight into the session and are not waiting around, maximising the training time allocated for the girls.

Oakleigh is always willing help off the court (as listed above), and always assists in the morning set and afternoon pack up of the netball courts, which is often left to too few.

The club is very much in debt to Oakleigh's commitment and passion to get this done.

SALE UMPIRE ASSOCIATION

Only six weeks left until finals, if you can believe it.

It's been great to see many new umpires come through the ranks this year, and great to see the encouragement many clubs have given these young men and women as they start their journeys into umpiring.

For this, we thank every single one of you who has taken the time to offer a kind word to these guys, it really makes the difference.

Photo of the week: three monkeys clowning around in the rooms.
