# NGFNL BOARD REPORT

Hello everyone and welcome to our first weekend of finals where the Qualifying Final is being held at Churchill on Saturday and our Elimination Final at the Yarram Rec Reserve on Sunday.

I say this just about every year in fact I might even say it more than once but there is something special about the anticipation of a final's series let alone the excitement that comes within that territory. Let me firstly say to every club and every team who has made the 2023 finals series a wholeheartedly well done and congratulations. Regardless of any result you have done your club and supporters proud. Good Luck one and all I wish all the very best of luck.

A few weeks ago, I announced that our Grand Final dinner speaker would be Gary Ablett Jnr and that the league would have a few spare tickets available for anyone to purchase should they wish to attend. Just ask your club to email the League Administration to secure seat/table. We only have a limited number of tickets on offer so don't wait if that is something you would like to attend, or you will likely miss out.

Clubs have been advised about our pending Vote Count night which will be held in Sale this year but also livestreamed where I am sure all clubs will consider opening the Bar and cook a snag or two on the BBQ. Again, I hope this concept allows for anyone to not only enjoy the excitement of these nights but also has it available for replay. Whilst the actual vote is an abbreviated version of the season a full list of ALL votes will be sent to club secretary's at the conclusion of the event. Okay let's talk a bit Footy and Netball

Last week I headed to Cowwarr who hosted the Roo's where I was afforded the opportunity to run with a young up and coming umpire Brandon Salisbury to help celebrate his 600th game. Pete Perillo and Keith Pritchard were part of the crew who have both umpired in excess of 1000 games and dad, Rob Salisbury and I have probably chalked up another 1000 between us, so it is fair to say it was not our first rodeo. I thought

this match was an evenly contested game, but the talent and structure of the Roo's saw them get over the line by 30 odd points. That being said, whilst this was the end of the season for the Saints, I truly believe they are starting to build a group of young talent which hopefully can propel them up the ladder in 2024. On the other hand, I know the Roo's can play significantly better and Coach Brown will have his troops excited about what may lie ahead.

Down at Kennel the Doggies finished the season on a high with a solid win over the Blues in what appeared to be a good game of football. Both senior teams played their last game for 2023 however I think both clubs will sign off knowing there is significant potential within their ranks, and 2023 has allowed both clubs have bank another 10-18 matches into several young men. Over the hill at the Cattery the Demons were no match for the Cats and I think it is fair to say the Demons will find themselves in a rebuild phase for 2024. The Cats have been great this year and will consider 2023 a year of opportunity who hold no fear in pursuit of glory in this year's finals series. The Tigers could not get that elusive win in round 18 with the Pies doing enough to sign off 2023 in best way possible. Both clubs are working hard on improvement in 2024. In our Final game the Bombers completed the perfect season with yet another dominating performance against the Cougars. Unfortunately, the Cougars are simply not playing at their best and nor with a full available list. Well done to all in the home and away season but it is now time to move focus on finals 2023!!

On Saturday our Qualifying Match will be hosted by Churchill as the Cats and the Roo's will do battle in what should be a tantalising encounter. The Cats have been building all year and have only stumbled a few times in 2023 but in my eyes these losses can be as much about learning as it can be about winning. There is no doubt the Cats have a playing list which can go deep into the

# NGFNL BOARD REPORT

finals and perhaps there is even an expectation that they should equally do so.

All year I have been talking about the youth and talent within the Roo's and they have quietly worked their way into third spot on the ladder at the end of the H & A season which is commendable to say the least. In simple terms the Roo's talent list are quick and skilful and in my eyes, they must put these attributes to work over the next few weeks and see where the cards fall.

The faithful at Heyfield will always back the Roo's and they have claimed the odd scalp this year when no one perhaps thought they could, this alone makes them somewhat dangerous. Nor have they been at full strength yet continued their crusade throughout their 2023 journey.

However, the Cats have found a level of consistency which is not always easy to create. It is hard to describe or put a value on consistency, but there is no doubt that bankable and consistent performances week after week is part of the glue which is woven into the fabric of success.

I think this game might surprise a few but based on recent form I think the Cats will get the job done but nor can I totally discount the Roo's particularly if they get out the gate early, apply some score board pressure then perhaps those young legs might prove me wrong.

On Sunday the Elimination game will be hosted by Yarram with Cougars and Jets doing battle with victor continuing their 2023 journey and the other headed to Coles to buy some moth balls. Regardless of current form or injury lists, both clubs have done enough throughout the year to have this opportunity, and both clubs seem to thrive on the back of any overwhelming challenge.

The Cougars must have not kicked a black cat when it comes to injury and have simply found it hard to put their best team on the park, pretty,

much for the entire year which would have frustrated the coaching staff and supporters at Cougar land. That's not absolute excuse, any team would miss some quality players which affects your confidence and in turn affects you're playing performance.

However, I think it is also fair to say the Jets have also had a patchy season, they have not always been at their silky best. The Jets talent is undeniable, but the switch has not yet been flicked and perhaps this makes them a real smoky in this year final's series. Talent is one thing, but execution and delivery is another, on Sunday they must first get over the Cougar hurdle.

The Cougars love being against the odds, somehow, they have a habit of making the impossible possible and could Sunday be one of those days? I think they would need their best cattle on the park for that to happen. I just get the feeling the Jets have a bit to prove and enjoy the challenge which finals bring. I think the Jets get the chocolates.

Don't forget about our Netball competitions where finals seem to bring another level of support and passion to that element of our league. No one could question the significant level of skill and talent within our younger ranks which is truly exciting to watch. However, I am always amazed at the speed and ball handling skills our senior ladies can display on a weekly basis. Some of the goal shooting skills is something to behold and to quote Molly "do yourself a favour" and take a moment to watch some Netball over the finals as I am pretty sure you will not be disappointed.

Good luck to everyone, play hard but play fair.

David "dirty" Kyle President

## COUNTRY FOOTBALL AND NETBALL PROGRAM SET TO LAUNCH

2023 WorkSafe Country Club Series at the Horsham District Football Netball League round 4 match between Laharum and Edenhope Apsley at Laharum Football and Netball Club. 06/05/2023. Photo by Luke Hemer

Victorian regional football and netball clubs can rejuvenate their sports facilities with the launch of the next round of the Country Football and Netball Program (CFNP).

In partnership with the Victorian Government and Netball Victoria, the Country Football Netball Program provides funding of up to \$250,000 to assist country football and netball clubs, associations and umpiring organisations to improve facilities in rural, regional and outer metropolitan locations.

Funding is available to deliver projects that includes new or redeveloped ovals or netball courts, installation of sports lighting, and construction of new and redevelopment of existing pavilions including change rooms for players and umpires. Any clubs wishing to discuss a project should contact their local council who will provide further advice, which may include preparing information ahead of a future round of the program. Applications are now open and will close at 5pm on October 9, 2023.

AFL Victoria and/or AFL Regions, in addition to being a funding partner for the program, can provide advice on best practise design, and support applications with letters of support.

**Eva Tatchell**  
**Glengarry FNC**

Eva came up through our junior club and has always been a stand-out player. She won B Grade best and fairest in 2021 and then found herself in our A grade side. Due to the team's strength, she missed out on a lot of court time last year, particularly in the semi-final, where she didn't take the court. At the end of last season, this led Eva to question whether she would continue playing or not.

Rather than walking away, she chose to turn this negative into a positive and has worked harder than ever to earn her spot. Always the first at training, practising shooting and always doing extra fitness sessions, she is finding herself earning more court time. She trains with the stronger players and seeks feedback from them and from the coaches as to where she needs to improve. She puts effort into everything she does, getting involved with the social committee and helping out wherever she can. At time she can be a quiet achiever but you can see her dedication to the game when she is on the court. She loves the club and has the potential to be our next A Grade best and fairest if she continues this work.

Eva is always the first at netball training as well as attending all non-compulsory fitness sessions this year.

She is at netball on a Saturday from 9am watching Juniors and is there till the end of the day watching Seniors

Eva is also on the social committee and has helped with each event this year as well as always cleaning up the next day. She has shown interest in joining the committee next year and wants to help develop the club in years to come.

## **Jay Diamond** **Rosedale FNC**

Jay is a highly regarded member and player for the Rosedale Football Netball Club, as Captain of the U/18's, his professionalism, leadership and club spirit are beyond question. Jay is also a member of our senior football team each week. This requires Jay to continually work on his fitness, recovery as well as continuing to develop his football skills. He does this week in and week out, always putting the team and club first. Jay is a fundamental conduit between the U/18 and Senior Football teams and continues to set the standard for our junior players can follow.

“Jay Diamond- plays like he's been at senior level for the last ten years. He has developed football smarts beyond his years by continuing to strive for improvements in all areas of his game.”

Jeremy Reid – RFNC Senior Coach

Jay's commitment to the club, both on and off the field, is well respected amongst the entire playing group. He is one of the first to volunteer for any off-field job that is required and always seeks assistance from his teammates to assist. You will find Jay at every training session, social functions and club working days.

# SALE UMPIRE ASSOCIATION

Finals are here, and we are now at the pointy end of the season. To all of our umpires - thanks for everything you have done this year. You have all worked hard all season, and your efforts are appreciated.

For everyone running finals, enjoy the experience. This is what we train all season for, as finals footy is some of the best quality games you will get to do. Make the most of the opportunity.

We also get to celebrate three milestones this week. The man, the myth, the legend(?) Pete Perillo will do his 1100th game, which is a mighty achievement indeed! In addition, goal umpire Rob Salisbury will do his 450th, and our Director of Umpiring Shane Garvey will do his 350th game. Well done!

Qualifying	19-Aug-23	Elimination	20-Aug-23	2nd Semi	26-Aug-23
1st Semi	27-Aug-23	Prelim Final	2-Sep-23	Grand Final	9-Sep-23

**AGL Loy Yang proudly supporting  
The North Gippsland Football Netball League.**

AGL Loy Yang has been powering Victoria for more than 30 years. With our 2210 megawatt power station and adjacent brown coal mine, we supply around one third of the state's power requirements.
