

2023

ANNUAL REPORT

PRESIDENT REPORT

Season 2023 gathered momentum extremely quickly which subsequently culminated in our 2nd Grand Final at the Gordon Street Rec Reserve Heyfield. This was another spectacular day for all participants but even more so for our premiership winning teams. We again thank the significant contribution made by all at the Heyfield FNC the Gordon Streets Rec Reserve committee for showcasing the venue on what is the league's most important showcase day of the year.

Congratulations to all victorious Grand final teams. In particular, I acknowledge the Traralgon Tyers United FNC & Woodside & District FNC for their respective Senior and A grade Netball premierships.

Throughout 2023 our clubs rolled out several feature matches such as our traditional Good Friday game, Pride Cup, various NAIDOC ceremonies/celebrations and several awareness and education days around Mental Health, Breast Cancer and alike. All were great days, our club volunteers and players should be congratulated for making these events happen. Accordingly, we are all indebted to the valuable work of these people within our Clubs and league.

The NGFNL was again supported by AGL Loy Yang as our major sponsor. As always, I am continually amazed by the encouragement offered throughout the course of a season by the AGL team. I am confident we are all looking forward to extending this relationship further into the future.

Other league sponsors have again been generous, supportive, and untiring. Accordingly, I would like to thank TRFM, Ace Digital, Electel, The Nationals, BP Traralgon East and others who have all offered ongoing support and a commitment to the NGFNL in 2023. Thank you everyone.

Our league's relationship with the SUA remains strong and collaborative. We thank President David Faulkner and his executive for their ongoing support. Our leagues independent Tribunal panel headed by George Nicola and Secretary Graeme Hemming have delivered another invaluable service to the NGFNL. I also acknowledge Life Membership awarded to past Chairman Henry Scholtes.

From a financial perspective our 2023 finals series was another successful notch in the history of the league. The league's financial position remains solid and with what I would consider a strong Balance sheet. Our Board made some investments this year such as new trailer dais, additional support around our interleague Football and Netball teams, 3-4 year's stock of premiership medals, elevated investment levels into Netball Finals Umpires and we have created a league "jingle" for future marketing endeavours which clubs and the public will see rollout during pre-season 2024.

Like all businesses we have had to absorb some increased operating expenditure which primarily impacted the league at the back end of the season and generally related to our finals series and the services we utilized. Accordingly, our finals expenditure exceeded our preseason budgeted forecast.

I would like to acknowledge the work and guidance and professional services offered by McMillian Partners of Traralgon via Mrs Wendy Glassen including our annual audit process and review of all league transactions throughout season 2023.

From a League Administration & Board perspective I can assure you all that every Director endures and thinks deeply about many complex topics. There were many robust internal discussions at Board level before any conclusion or recommendation is ever communicated.

I would like to think despite any alternate views, all decisions and commentary tabled were in the best interests of Football and Netball within the NGFNL.

It is appropriate to note the immediate value our new Directors David Read and Rachell Waring added to the Board throughout 2023. They hit the ground running and were fully engaged from day one and in my opinion excelled throughout the season and finals series.

In conclusion I hold the strongest opinion that if the NGFNL desires to be at the forefront of innovation, choosing to define its destiny, then change within the NGFNL is inevitable.

In my view this thinking should be embraced rather than resisted. The alternative is risk change being imposed on us by others with little recourse.

I thank clubs for their support in 2023 and trust 2024 will be successful for everyone.

Notes to the Financial Statements

North Gippsland Football Netball League For the year ended 31 October 2023

1. Statement of Significant Accounting Policies

The financial report covers North Gippsland Football Netball League as an individual entity. The North Gippsland Football Netball League is an association incorporated in Victoria under the Associations Incorporated Reform Act 2012.

Basis of Preparation

In the board's opinion, the incorporated association is not a reporting entity because there are no users dependent on general purpose financial statements.

These are special purpose financial statements that have been prepared for the purposes of complying with the Associations Incorporation Reform Act 2012 and associated regulations. The board have determined that the accounting policies adopted are appropriate to meet the needs of the members of the North Gippsland Football Netball League.

The financial report has been prepared on an accrual basis and is based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities.

The following is a summary of the material accounting policies adopted by NGFNL in the preparation of the financial report. The accounting policies have been consistently applied, unless otherwise stated.

(a) Income Tax

NGFNL is a Not-For-Profit organisation and is not subject to Commonwealth Government Income Taxation in the normal course of operations.

(b) Revenue

Interest revenue is recognised on a proportional basis taking into account the interest rates applicable to the financial assets.

Other revenue is recognised when the right to receive the revenue has been established.

All revenue is stated net of the amount of goods and services tax (GST)

(c) Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO). In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the statement of financial position are shown inclusive of GST where applicable.

NGFNL with SUA in 2023

Another year has past and the successful union between North Gippsland Football Netball League and the Sale Umpires Association continues to be strong.

The Sale Umpires made 1824 appointments to the NGFNL; umpiring all disciplines of all Football grades. This is an achievement that only a hand full of Leagues in the state can boast.

This commitment leaves clubs and their volunteers free to do the day-to-day activities that are required of a Club. The supply of umpires, however, is not endless.

Just as footballers retire or leave your club, so do the umpires.

We ask that if you know of someone who would be suited to move to the umpiring fraternity that they contact the Sale Umpires Association. It is a great way to keep fit, be involved in the fabulous game of AFL and earn some extra coin. www.saleumpires.tidyhq.com

NETBALL REPORT

Congratulation all clubs and teams participated in the season 2023 finals series. And all Grand Finalist winners.

The season 2023 started off with our under 15 and 17 entering Traralgon Netball Association Tournament the day after our season commenced.

The girls played another tournament in preparation for the Association Championship. Congratulations to all the girls during the tournaments and wearing the NGFNL new design dresses, polo tops and hoodies.

Thank you to Deb Fox, Leah Leeson and Jess Anderson for coaching and mentoring the girls, Bright things to come for our juniors.

Congratulations to the following umpires for gaining an accreditation of umpiring.
